On the day of your flight, please check in using the check-in code above and issue your boarding pass. You will need your boarding pass to check in your bags and go through the security checkpoint.

*If you are having trouble reading the check-in code at the self-service check-in machine, please enlarge the screen. If your check-in code is not available, please enter your reservation number (6 digits).

For domestic flights, you can check-in using the app. Click [here](#) for details.

Your reserved flight could have encountered a cancellation or delay. Please make sure to check the latest flight status before you are heading to the airport.

Carry-on baggage allowance

Carry-on baggage allowance by weight

Up to 2 items including personal belongings and/or baggage

Up to **7 kg** total

Check your baggage

In case you exceed your carry-on baggage allowance, it must be checked-in. Baggage fees are cheaper on our website.

IMPORTANT INFORMATION:

Peach is basically self-check-in. You must have your printed reservation Check-in code in order to check-in on our self-check-in machines. Please make sure you have these with you at the airport. Please do not bend or get the Check-in code wet. Damaged bar code may not be recognized by self-check-in machine.

Peach check-in & arrivals point are different from other airlines. Please check the location before you come to the airport. For on-time departures, please complete the check-in procedure and check-in your baggage by the deadline.

For domestic flights in Japan, please check-in **at least 30 minutes before the departure time. Check in starts 90 min before departure.**

(You can check-in with App from 120 minutes to 30 minutes before the scheduled departure time.)

For international flights, please check-in **at least 50 min before departure time. Check in starts from two hours before departure.**

(For international flights, depending on the airport, reception may start earlier than stated. For details, please check the [airport guide page](#) of each airport.)

If check-in is not completed by the deadline specified above, you will not be able to board the flight.

Please check your seat number carefully before taking your seat.

Please note the rows below are emergency exit rows and have usage conditions.

- Aircrafts A320/A320neo: 12th-13th rows
- Aircraft A321LR: rows #18 and #27

Please note that the seats at the rows below do not recline.

- Aircrafts A320: 11th-12th rows
- Aircraft A321LR: rows #17 and #26 (Please note seats 26D & 26E have a narrower seat width than other seats)

Part of our fleet has introduced the "pre-reclined seats" in all seats that has a certain degree of reclining fixed on the backrest.

It is your responsibility to ensure that you have all the necessary travel documents to enter and/or transit countries on your itinerary.

About Connection Flights:

Peach does not provide through check-in or through baggage check service.

- Passengers who have booked two separate flights need to check themselves in for both flights separately.
- For passenger with checked baggage, you will also need to collect your baggage on arrival and re-check it in for your next flight.
- Where your second flight is an international flight, you will need to pass through Immigration and Customs. You are responsible for having all required travel documents (passport, visa etc.)

About booking changes and cancellations

Flight changes can be made only for flights booked at Standard Plus fares.

You may need to pay the difference of the fares to change your flight.

You can change to another flight up to one hour prior to the departure time shown on the timetable.

If you change your flight, the seat selected and arrangements made to check in your baggage for the flight will be canceled, and you cannot receive refunds.

Rules on refunds due to cancellations for customers' personal reasons vary depending on the fare type.

Minimum

- Not refundable

Standard

- The amount obtained after deducting the fee from the fare will be refunded in Peach Points.

*Fees vary between cancellations made by 30 days before departure and cancellations made 29 days before departure or later (the number of days is calculated based on the scheduled departure time (local time) of the flight).

Standard Plus

The amount obtained after deducting the fee from the fare will be refunded to the payment method used when booking the flight.

Please note that the refund procedure may take about 1 week.

*Validity of Tickets: Tickets are valid as of the departure date indicated. However, in case of changes applied to tickets, the revised departure date will be valid instead.

Changing bookings with multiple Peach flights

If you want to change your flight(s), please ensure the minimum connecting times between flights as follows and make changes after confirming departure date, flight number, departure time and arrival time.
